

# FORT RILEY FISHING OVERVIEW

**All anglers in a Training Area on Fort Riley must check in to fish on the Fort Riley iSportsman system and checkout with that day's fishing information.**

<http://www.fortriley.isportsman.net>

The Fort Riley Military Reservation (or portions of it), may be closed at any time, without prior notice, due to military activities, security restrictions, or impassable roads. The military mission and security have precedence over recreational pursuits.

**During time periods Sept.1-May31, all recreationist in a training or maneuver area that are not in a stationary position must wear at least one of the following articles of visible, external apparel with at least 50 percent of its surface area solid blaze orange in color: hat, cap, vest, coat, jacket, sweatshirt, shirt or coveralls.**

Fishing at Fort Riley's ponds is allowed only when the areas in which they fall are open for fishing. To find out what areas are open, check the Fort Riley iSportsman website for current open areas.

## License Required

All anglers must possess a valid Kansas Fishing License unless exempt by Kansas License Requirements.

## Trout Fishing

Rainbow Trout are stocked seasonally in Moon Lake and Cameron Springs. Daily creel limit is 5 trout unless otherwise posted (2 trout for anglers 15 and younger fishing without a trout permit). Anglers fishing for trout during the state of Kansas Trout season must possess a Kansas Trout Permit and comply with State Regulations.

## Length Limits

\*A 15-inch minimum length limit is in effect for black bass (largemouth, smallmouth, and spotted), with a creel limit of two, in all Fort Riley waters (unless otherwise posted)  
\*All fish less than the minimum total length shall be returned to the water immediately.

## Creel Limits

Black bass: 2 per day  
Channel catfish: 5 per day  
Flathead catfish: 5 per day  
Trout: 5 per day (Moon Lake & Cameron Springs)

## ALL AREAS NOT LISTED AS OPEN ARE OFF LIMITS.

All areas North of Vinton School Road will be closed to recreational activities from one hour after sunset to one hour before sunrise the following morning except during the firearms deer season and by approval of the Conservation Branch Chief. Lawful fishing methods, equipment and boating comply with Kansas regulations except as follows:

1. Bowfishing at Cameron Springs and Moon Lake is prohibited. At other waters, bows may not be discharged within 200 meters of any person not accompanying the archer. See Kansas regulations for species which may be legally taken by bowfishing.
2. White amur (grass carp) have been stocked in several Fort Riley impoundments to control aquatic vegetation. Any white amur caught must be returned to the water immediately.
3. Bullfrogs may be taken provided a valid Kansas fishing license is in possession. The use of bow and arrow for taking bullfrogs is prohibited at Moon Lake and Cameron Springs.
4. Ice fishing is allowed at ponds and lakes if the thickness of the ice is verified by the angler to be at least 4 inches thick and sufficient to carry their weight and any other person in their group. Motorized vehicles may not be driven onto the ice.
5. Vehicles being used by anglers shall have displayed inside their front window a current Fort Riley iSportsman Permit.
6. Bait fish may not be taken on Fort Riley.
