Sun 30 Dec	Lee Gerlt

*\* need a volunteer-- Please visit the Fort Riley Range 4 Facebook page to sign up!*

### **Administrative info:**

Range will be open for use from 1000 hours to 1500 hours on each day, unless noted, weather permitting.

Recreational Motor Vehicle Permits must be in vehicles and firearms need to have the proper PMO registrations prior to shooting them on Fort Riley. The Recreational Motor Vehicle Permit can be picked up at the Conservation Office, the Outdoor Recreation Center, Fort Riley iSportsman webpage or at any of the Self-Information Stations marked on the Outdoor Recreation Map. Firearms can be registered at the Visitor's Control Center located at the Henry Access Control Point, exit 301, I-70. They will issue you the proper paper work once the process is completed.

All users of the POF Range must have in their possession a valid DOD ID card (Mil or DA CIV), and a Ft Riley firearms registration form (FR 102) for their firearm. Range Officers will validate these requirements; anyone without them will be denied use of the range. All users of the POF range must have a valid pass before driving north of Vinton School Road. **All shooters must bring their own hearing protection.** Target stands and targets are available at Range 4. There is no charge for their use.

Weather concerns. The range is usually open despite inclement weather. If the range is to be closed due to severe weather or extreme cold/heat, the Range Officer scheduled for duty will notify Range Commo, 239-4200 and the Outdoor Recreation Center, 239-2363. For more information visit the ["Fort Riley Range 4" Facebook page](#).
